

Remarks

This is in response to the Examiner's action mailed May 4, 2004. In that action the Examiner rejected claims 1, 4, 5, 7 through 10, 13 through 16 and 19. The Examiner objected to claims 2, 3, 6, 11, 12, and 17 as containing allowable subject matter but being dependent on a rejected base claim. The Examiner also objected to claim 19 as dependent on cancelled claim 18.

The applicant has amended claim 1, cancelled claim 2 and 19 and added new claims 21 through 36. Claim 1, and claims 3 and 5 through 17 all now contain all of the limitations of the former claim 2. Claims 21 through 36 all contain all of the limitations of the former claim 11

Since the Examiner has indicated that claims 2 and 11 include allowable subject matter the applicant respectfully requests that the Examiner reconsider the rejection of the present application and allow all claims pending in this application

Respectfully submitted,
